

Flavoured Popcorn

Serves: 4

Prep time: 2 minutes

Cook time: 5 minutes

Ingredients

¼ cup un-popped plain popping corn

⅛ teaspoon cumin

⅛ teaspoon coriander, dried

⅛ teaspoon curry powder

1 large brown paper bag

Everyday Food

Method

PLACE the un-popped corn into the brown paper bag and fold the top over twice to seal in the corn.

COOK in microwave on high for 2 ½ to 3 minutes, or until you hear pauses of about 2 seconds between pops.

ALLOW to stand for 20 seconds and then carefully open the bag and pour into a bowl.

COMBINE the cumin, coriander and curry powder and toss through the popcorn before serving.
